Editor's Letter

Yaaay – welcome to the next year of the rest of your lives. 2013's all old hat now, and now we're in the giddy new world of 2014 it really can't be long before we've landed a man on Mars, come up with a cheap and clean alternative to petrol and worked out a way to tell all those utility companies to stuff their great big bills right up their arses. Any day now, I telly you… and until then, here's another selection of cracking *Men Only* babes to usher in this brave new world! Talk about the future looking rosy!

SPUNKMAIL

Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!

Send me your letters to: Men Only, 23 Lyon Road, Hersham, Surrey, KT12 3PU or mail menonly@paulraymond.com

Dear Michelle,

Since Ray moved into my street last November he and I have become much more than just neighbours. He is a witty, friendly guy, strongly built and always ready to pitch in and clear the old folks' driveways.

Although he is so very much older than me, I was immediately attracted to him, and, despite my Mum warning me off when she stayed with me over Christmas and saw the way I looked at him as he shovelled snow across the way, every time Ray and I bumped into one another we flirted and teased quite shamelessly.

Even so, it wasn't until one viciously wintry Saturday just recently that the opportunity to take our friendship to the next level arose.

It was brass monkeys outside and getting dark, and I was about to park myself down with a hot chocolate when I noticed Ray walking past. Ray is over 50 and I'm 23. I knew it was madness, and I knew it was wrong, but I ran out to him, calling him back, then asking if he would like to join me for a hot drink.

The fire was crackling in the grate as I took his coat and then put the milk on to make him a hot chocolate. Joining him on the sofa we toasted one another with our Christmas-themed mugs, and, fairly much as I'd planned, one thing led to another. Before long we were wrestling on the sofa like teenagers.

Ray wasted no time stripping off and as I wriggled out of my winter woollies I was pleased to notice the look of approval on his face when he saw the sexy red lingerie I was wearing. He was grinning as he unsnapped my bra and cupped my breasts in his hands, his thumbs brushing to and fro across my nipples.

Purring, I reached into his boxers and was thrilled to discover that he was every whit as well endowed as I had hoped. My hand wrapped around his large shaft, wanking it as he played with my tits, sending tingles to my pussy, making it dampen my panties gusset as my juices trickled with intensified desire.

Rolling me onto my back on the sofa, Ray towered over me, waggling his rigid cock in my face until I caught on and obediently tugged it down to my mouth, sucking it as I tickled his ball-sac gently with my finger tips. My lips clamped around his long shaft and my tongue teased his bulbous cock-head as he began slowly fucking my face.

Grasping his buttocks, I controlled his rhythm, and soon my cheeks were bulging as I gorged myself on hard, mature cock. As I felt the seed rising in his balls, however, I dug my nails into his arse cheeks, signalling that it was time to ease off before he fired his load and had nothing left for little me.

Ray eased out of my mouth, and, pulling me up to him, kissed me firmly on the lips, sucking on my tongue just as I had on his cock. As he released me he asked me what I would like, and when I replied recklessly that I would enjoy taking cock any place he cared to stick it to me, he grinned like the proverbial cat who got the cream.

Now that Ray had been granted what he described, chuckling, as his "ticket to ride" he positioned me across the padded arm of the sofa, eased my lacy panties down my thighs and then yanked them off. Holding the tiny garment in front of me he showed me how damp I'd become and I must have blushed crimson.

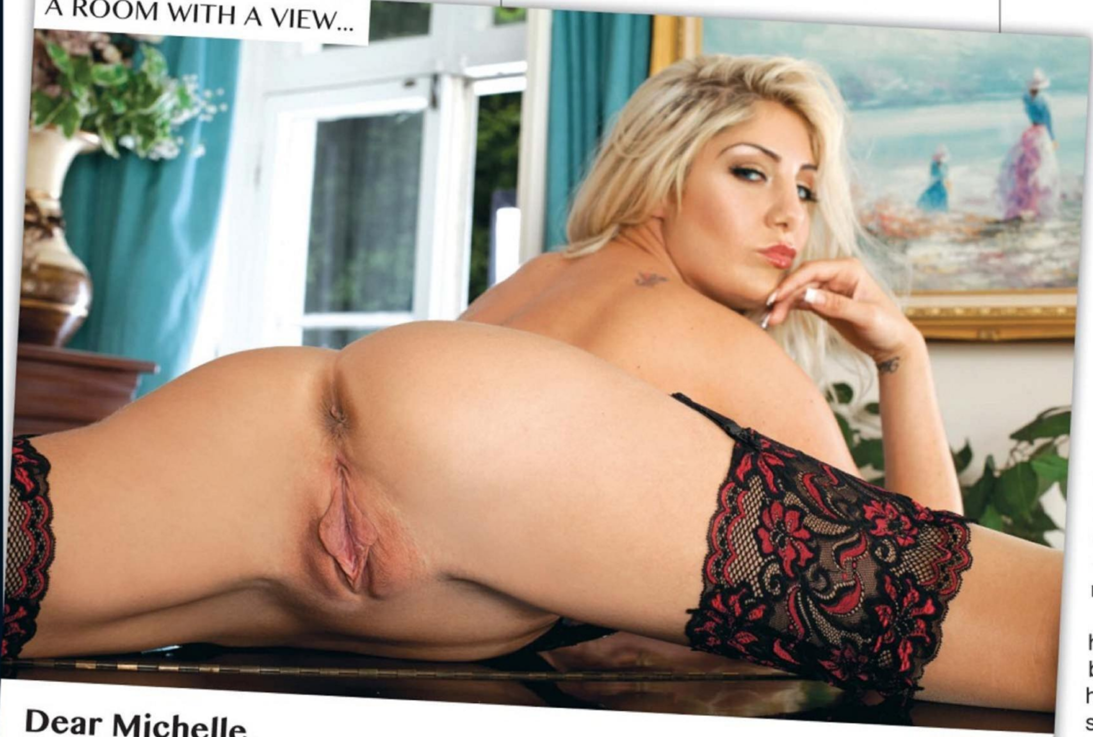
A ROOM WITH A VIEW...



Dear Michelle,

Just a quick email to say how much I have enjoyed the magazine this year with some truly terrific girls in every issue.

I thought you really ended the year with a bang as 78/13 is fantastic. The cover picture of the gorgeous Michaela is stunning and the centrefold of Sara is – well – I'm lost for words! Where do you find these wonderful girls?

Merry Christmas and a big 'thank you' to all the team at *Men Only*; here's hoping that 2014 is as memorable as 2013's been!

Best wishes, *Ian, via email.*

Michelle says: Thanks Ian – we're glad you've enjoyed volume 78! We certainly intend to keep things just as hot for volume 79, so watch this space!

CHIKITA

dMags.net

Ah, here we are in a shiny new year, but although the world continues to change around us at a dazzling pace, it's reassuring to know that some things will always be there – things like Chikita's magnificent charlies, say! Quite frankly who gives a stuff if tellies are getting thinner, mobile phones are getting bigger and the sea's getting higher when there are funbags like these around to raise our spirits! So Chikita, have you got any particular plans for the new year?

"Well, I made a couple of resolutions about things I really ought to give up, and so far so good…"

Oh, well we hope that one of the things you intend to give up is appearing in *Men Only* and giving us all an eyeful of your charms!

"No, nothing like that! I'm trying to eat a bit more healthily, so I'm going to try and cut out fatty foods and biscuits, that's all!"

Thank goodness for that, although we wouldn't want you to start fading away. From where we're sitting you're the perfect shape right now, so please don't go dropping any pounds!

"Alright, I'll try not to get all skinny on you – I don't want to fall out of favour with my fans…"

We don't think that's likely to be a problem!

...Continued from page 4

Then moving behind me, he caressed my arse cheeks and inner thighs, smoothing the nylon tops of my stockings as he ran his hands up and down my legs. I was so moist with excitement it was embarrassing by the time Ray finally touched my pussy. Sliding his fingers inside me easily, he teased my well-lubricated labia. I was up on my tippy toes absorbing the pleasure as he began frigging me, and when he pinched my clit with his free hand I began to come without inhibition, gasping, laughing and even crying.

I was literally shaking as waves of pleasure flooded my body and my nipples throbbed so hard that I pinched them myself to help this feeling of bliss last. Ray moved in closer behind me, and, holding my pussy lips apart, shoved his thick cock between my thighs and pushed deep inside my aching pussy. I was in heaven as he began thrusting. Fucking my pussy mid-orgasm only served to intensify my excitement to the point where I thought I was going to go crazy.

My knees wobbled and I was glad my weight was supported by the arm of the sofa. When he finally pulled out, I felt like a wet rag, fully sated - and yet my pussy was still tickling as my clit continued to throb from my pleasuring.

Ray scooped up a finger of my wetness and began smearing it around my anus. I could not help letting out a little sigh as I felt

> "He shoved his cock between my thighs and pushed deep inside..."

STAR SUCKERS...

Dear Michelle,

Well, it seems patience really is a virtue. I've been holding out for more lesbian sets in *Men Only* this year, and then in the very final issue you go and give us two! Brandy and Dora were wonderfully saucy (and seasonal) in their Santa costumes, but I was really blown away by Celeste and Lela Star; two truly stunning girls who clearly enjoy the taste of each other's pussy! Please keep the lesbo stuff (and therefore me) coming thick and fast next year!

Michael, Glossop.

THE COBRA LIBRE

Lovehoney.co.uk
£79.99

The Cobra Libre may resemble an executive office toy, but is actually a luxury, vibrating toy for blokes. Designed to be used with one hand (so you've got one spare for *Men Only*!), it's rechargeable and fully waterproof, making cleaning easy. Lube yer dick up and stick it in – albeit just your bell-end, as the inside only measures 3.5", so will feel a bit weird at first; like putting your sock on only halfway, but as the two powerful motors deliver 8 intense speeds/ vibration patterns to the helmet glans, you'll quickly succumb. Sleek and aesthetically pleasing, the sheath is made from a velvety and stretchy silicone, so although it may look like you're putting your cock in a character from Disney's Cars' mouth, it won't hurt a bit.

Available in black, white, blue or Ferrari red.

ELISE 2

Lelo.com
£109

The Lelo brand is to sex toys what Jimmy Choos are to high heels – in other words, you get what you pay for – and the luxurious Elise 2 is worth spending that bit extra on! Beautifully packaged (think exclusive boutique), waterproof and ergonomically shaped, indeed even the silky smooth feel of the vibrator's silicone coating feels expensive. Motors situated in the shaft and tip interact differently with each of the eight vibration modes and nine power settings, meaning you can build up to your perfect buzz! Fully rechargeable, the controls are lockable to prevent those embarrassing moments while travelling…

him lubricating my most private place, preparing it for lovemaking.

Gently he eased his finger in and out of my anus until I felt myself begin to relax and started to enjoy it. Then, replacing his fingertip with his cockhead, Ray began to inch his cock inside my bumhole. Once he was in, he reached forward and began to play with my clit. My whole body was alight as he began fucking my arse, and I dipped my back and cocked my rump higher.

Harder and faster Ray fucked me until I felt that I was about to explode, and when he pushed a finger into my pussy as he expelled his load, I could hold back no longer and we both came together, eventually collapsing on the sofa by the fire, our now-stone-cold chocolate drinks entirely forgotten.

Dear Michelle,

Talk about keeping the best till last – Malena Morgan's one of the hottest babes on the planet! I loved the picture of her on page 95 where she's holding her lovely pussy lips apart for us and looking dreamily back over her shoulder; what I wouldn't give to be presented with that view in real life! My only query is why, when you've got a girl that hot who's even dolled up for Christmas, didn't you put her on the cover?!
Still, keep up the good work!

Alan, Shropshire.

Michelle says: Malena's a hottie alright – and I don't know why the Ed didn't put her on the cover… except that Michaela's a stunner as well!

VANESSA

Photos: **Twistys**

WorldMags

That's a rather eye-catching little lingerie set *MO* newbie Vanessa's sporting, isn't it? We've had a poll in the office, and everyone's agreed that she looks absolutely stunning in it… and is it our imagination, or is the girl herself feeling more than a little turned-on as well…?

"How did you guess? There's nothing that's guaranteed to get me in the mood quicker than rolling up a pair of stockings. I love the way they cling round my thighs – it's almost like just the pressure exerted by a pair of stocking tops is enough to send the blood pumping to my pussy!"

Well, from the way you're juicing up there it looks like the stockings are doing the trick alright, and now we come to think of it, the sight of you in those stockings has got our blood pumping a fair bit as well!

"Mmm, that's just what I was hoping to hear! I'd hate to think I was dolled up like this and playing with myself in vain, after all!"

There's no danger of that, Vanessa – no danger at all!

Has your girl been getting up to anything naughty lately? If so, why not get her to write in to us – and if it's raunchy enough to use in Miss Behaviour she'll earn herself a double dip busting £50! Send your letters to Miss Behaviour, Men Only, PRP, 23 Lyon Road, Hersham, Surrey, KT12 3PU or email them to menonly@paulraymond.com. Come on – what are you waiting for?!

Real Life Adventures

Lisa finds that wanking's so much more fun with a friend…

It was a lovely feeling to wake up on Saturday morning knowing that there was no need for me to do anything. I stretched my arms over my head as I yawned. For once, I was alone in the house. “Mmmm,” I thought, “I should really take advantage of this.” Instead of getting myself a coffee, I leaned over and opened the bottom drawer of my dresser. My vibrator had been my only sexual partner for nearly six months. I slipped out of my pyjamas and eased my madly buzzing toy to where I needed it most.

I closed my eyes and gathered some naughty thoughts in my head as I opened my legs, ready to play. “Mmmm,” I groaned, as I pictured doing naughty things to Sally, my housemate. I'd seen her naked in the bathroom by accident and I'd liked what I'd seen.

“Fuck!” Sally called out, “I thought I heard something.”

“Shit,” I pulled the sheet up over me, trying to preserve my modesty. The sheet did nothing to muffle the enthusiastic buzzing of my vibrator. “I thought you were in London?” I felt myself going scarlet. How could it be that my housemate was here? Why hadn't I gone and checked the house before I'd started playing? Or even closed my bedroom door?

“We finished early and I ended-up getting the last train back,” Sally explained. “Sorry.” My housemate didn't look sorry – she was grinning at me. “I was going to offer you a coffee… but it sounds like you need some ‘alone’ time.”

> “I paused my frigging long enough to smear some of the sticky juices on my fingers over my lips...”

“Fuck it,” I thought to myself. “I don't know about ‘alone’ time. Why don't you grab a coffee and maybe come back and join me?”

“Join you?” Sally's eyes goggled at the invitation. “Are you offering?” I gathered my courage and threw back the sheet. My pussy was soaking wet. Sally looked down at the buzzing toy trapped between my legs, not doing enough to properly stimulate me but doing enough to provide the most intimate of massages. Our eyes met for a moment. “I'll be right back,” Sally promised. My head span as I gulped in breath after breath. Had I really done that? Had I propositioned my housemate for lesbian sex? The tone of the vibrator dropped as I jammed it right up inside me. The sensations were amazing and I knew that I could make myself orgasm before Sally managed to get the coffee sorted.

With the toy held inside, I rubbed my clitoris hard and fast, quickly taking myself to the heavens. I had a wonderful, sexy image in my head of Sally going to town on me, or me going to town on her. That was even better. “Oooh,” I sighed, picturing me between Sally's slender thighs. I paused my frigging long enough to smear some of the juices on my sticky fingers over my lips. I pretended that the musky scent was Sally's and that I was licking her pussy, which intensified the sensations even further.

My fingers buzzed over my clitoris as I eased the toy in and out, fucking myself towards my orgasm. All my muscles pulled tighter and tighter until I could hardly breathe. I had to do it. All the pressure broke free. I cried out, unable to contain the explosion of ecstasy and I knew that Sally would hear me, even from the kitchen. Sally wasn't in the kitchen – she'd abandoned the coffee,

preferring to see what I was doing. "Sounds like someone's enjoying themselves," Sally cooed, leaning on my bedroom door. How much had she seen? Had she seen me climax? Did it matter given what we were about to do?

I wriggled to the far side of the bed, inviting her to join me. Sally stepped into my room for the first time and eased her silky boxers down and kicked them playfully up onto the bed beside me. I had a fabulous view from where I was lying. I could see through the gap at the top of her thighs, although I really wasn't looking at the gap exactly. It was hard not to concentrate on the soft dusting of pubes that covered Sally's groin and the darker flesh of her labia hanging down. I hadn't seen them in so much detail when I'd seen her drying herself after that shower. Oh how I wanted to play with those labia! My pussy knotted excitedly as I realised that I probably was going to get to play with them very soon.

Sally pulled her top off and quickly joined me under the sheet. "Do you think you'd be able to come again?" she asked.

"I don't know," I answered quietly. I was so excited that anything seemed possible. Sally's fingers went straight to my pussy and she started rubbing. She drew soft moans out of me instantly and my breathing quickly became heavy. "Fuck, that feels so damn good," I sighed.

"Good enough to come?" Sally was insistent, she really wanted to make me orgasm. My body squirmed as she played, using a different technique than I used. "Mmmm," I groaned, trying to encourage her to keep at it. My naughty mind began to work which resulted in my hand moving over Sally's body until my fingers were between her legs. I could feel her heat and the soft, sticky wetness as I curled my fingers into her. Then I pulled my hand up and tasted my fingers. I licked them and then sucked on them hungrily as Sally rubbed my clitoris with wonderful speed and pressure. She tasted different from me and that realisation was enough to make me climax again.

My body went out of control, writhing in all directions on the bed as I got overwhelmingly excited. It seemed more intense than any orgasm I'd ever had and it went on in waves as Sally continued to play with me. Eventually we both stopped. I knew what I wanted to do – I wanted to taste her properly. I moved over Sally and pushed my face down between her legs.

> "I could feel the heat and the soft sticky wetness as I curled my fingers into her."

Her pussy tasted sweet and spicy, tangy and citrusy all woven into one complex elixir. I licked and sucked, enjoying myself so much that it took me a while to realise that the moans filling my room weren't mine. Sally's hips twisted with such violence that she would have thrown me off if she hadn't been holding my face against her pussy. Her body was spasming, making my whole world shake. I'd made her come; given my friend an orgasm.

"Wow!" Sally groaned happily, as I dropped back onto the pillow beside her. "I'm so glad I came back early."

"I'm just glad you came," I replied, smirking at my little joke. Sally gasped as I curled the fingers that were pressed tightly between her labia. "Do you think you'd be able to come again?" Sally nodded enthusiastically.

"Oh God," Sally groaned. "This is so much better than coffee!"

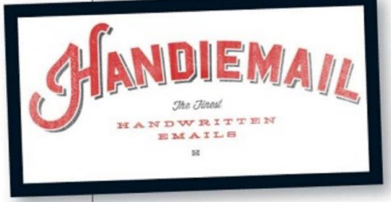
SEND EMAILS BY POST, AND YOUR LETTERS BY EMAIL

http://handiemail.com



This is either a site which exhibits astonishing commercial acumen, or one run by idiots which will never make a penny… but, without having seen their books (something I am presently attempting to arrange with the nice American Internal Revenue Service people) I honestly can't decide which.

"Tired of emails?" ask the apparent Luddites in charge of this novel online enterprise based in Chicagoshire. "What happened to the good old days when we used to write letters by hand and mail them?"

(Well if they don't know the answer to that one I am not going to be telling them.)

Yes indeed. Handiemail is a handwriting service which undertakes to turn your email into a handwritten letter, which they then pop in an envelope, address, and sling in the mail to arrive on the joyful recipient's doorstep, anywhere in the world… all for just under eight bucks a toss.

Great play is made of the alleged "fact" that in this digital age people are thrilled to receive handwritten letters… even though most of them are going to be asking why the missive is in someone else's handwriting, because they know yours is hellish; ergo you plainly couldn't be bothered writing them yourself. This is what's called shooting yourself in the foot.

Handiemail also transcribes any handwritten letters you send them into what they describe, rather dramatically, as "awesome emails" and send them for you on the Internet. Though if you were really that catastrophically out of step with technology, how could you possibly find their website – far less find your way through the rigmarole of online payment?

Just asking.

THE ULTRA-VIOLENCE OF THOMAS THE TANK ENGINE

http://boingboing.net/2013/08/26/crashes-from-thomas-the-tank-e.html

Children's author Reverend W Awdry's immortal creation Thomas The Tank Engine is an icon for so many former little boys (a.k.a. blokes), and the television series *Thomas The Tank Engine And Friends*, chronicling the adventures of the charming little locomotive and his chums, has delighted many over the years. Indeed, it continues to do so.

Now, however, along comes a guy by the name of Rob Beschizza, who has the idea of weaving all the (occasional) rail crashes, shunts, bumps and calamities from all of the episodes of the TV show ever shown into one four-minute extravaganza of railway calamities and catastrophes involving Thomas, other trains friendly to Thomas, and his rivals (e.g. Gordon). He tops this off by synchronising the resultant mayhem (which includes bridges and aqueducts collapsing and spectacular derailments) with an horrific heavy metal soundtrack.

The result of Mr Beschizza's labours is immensely entertaining – and not a little surprising when one suddenly realises the net sum of transportation trauma featured in the course of this supposedly gentle and archaic show for kids.

Apparently, "The ultra-violence of Thomas the Tank Engine" was a topic blogged about more than 10 years before Rob decided to compile his Thomas and Friends trainwreck video, which was first uploaded in August last year.

"I was bored," explains Rob: an admission which, though I love what he's done, still saddens me a little. I bristle whenever I hear anyone complain of boredom (when they're not at work, of course).

QUICK PICKS

Here Are They, Floating Round Their Tin Cans, High Above The World
http://www.howmanypeopleareinspacerightnow.com

When I checked in at this URL there were six people in space. I knew immediately because 1) the dot.com is called How Many People Are In Space Right Now? and 2) the site mostly consists of a wide-screen photo of the upper half of the Earth from space with a gigantic white number superimposed on it: and on the day I visited it, that number was "6".

I might have dismissed the site as puerile, but, upon scrolling down, I found not only the names and countries of origin of these half-dozen astro/cosmonauts together with the number of days each had been in space this time, but up-to-the-minute links to their photographs, biographies and their missions. So much detail in fact, that I wound up knowing their ages and backgrounds and what they were doing up there – aside from gravity-free somersaults, crapping into special pockets in the arse of their suits and the usual.

I came away from the site not only aware of how many folk were mucking around a mile or two above my head, but with a strong sense that I knew these fine people, these bloody brave "chaps who went up", and that I had somehow vicariously shared in the incredible hazards of their off-planet missions. Though this last part was probably something to do with not taking my anti-psychotics and being in orbit of a sort myself.

Constructing Mechanical Oddities
http://weirdinventions.com/

Yes, many of the guy who owns this URL's inventions are deliberately silly and playful (see The Indoor Sundial or The Fruitcake-Powered Christmas Tree), and yes, several have a charm reminiscent of Gary Larson or B Kliban, such as his device which links socks to the underpants by wires to prevent (bi-curious) thugs from grabbing the back of your knickers and giving you a "wedgie".

But check out The Invisible House. Our webmaster shows us how he would go about making a house invisible using arrays of cameras and flat-screen screens attached to the sides of the dwelling. And by Jove, I think he might be onto something!

STACEY

Photos: J. Stephen Hicks

We guess that when you've got boobs like that, you kind of owe it to the world to get them out for everyone to enjoy, but even so, Stacey didn't waste a moment after she turned up for this shoot before she'd got them out and was showing them off like a proud new mum!

"I love the see the effect they have on people!" she grinned, "they seem to have a magical power all of their own!"

They're certainly magic alright! We did our best to keep looking her in the face as we were talking, but in the end we gave up the battle when she told us that we could feast eyes as much as we liked. And as much as we liked turned out to be quite a lot! Then again, just when we thought we'd got a handle on just how sexy she was, she only went and peeled her panties off to reveal one of the most mouth-wateringly scrumptious snatches we've ever come across!

Our astonishment must have been pretty obvious, because she actually started to laugh. "I like to think of it as a double whammy!" she explained. Most guys can't believe my boobs, but when they see my pussy as well they think they've died and gone to heaven!"

Well, if heaven's anything like as amazing as Stacey here, we're going to start going to church a bit more often!

GAGA REFLEX!

With celebrities like Paris Hilton, Lindsay Lohan, Oprah, Jen and Angelina having been parodied by Hustler Video, the company has now turned its attention to this generation's queen of pop. She's known for her outrageous performances, so it was only a matter of time before Lady Gaga got her own porn spoof...

While Lady Gaga is clearly the star of this movie, other notables also crop up. Gaga is engaged in all types of lascivious behaviour with various celebrities in addition to a very sloppy rendezvous with porn legend Ron Jeremy...

HUSTLER VIDEO
HUSTLER
THIS AIN'T LADY GAGA XXX
THIS IS A PARODY
She wants to show you her blowjob face!
Starring Helly Mae Hellfire
featuring the HUSTLER toys
Disco Stick
directed by Axel Braun

Helly Mae Hellfire may be dressed up like the "Bad Romance" songstress, but you might recognize her as porn star Eden Sinclair. Then a hard-bodied young thing, the Canadian started out in porn doing "collage girl" and "teen" type titles. She retired to Redondo Beach just outside Los Angeles only to return when Hustler was looking for a good Lady Gaga look-alike. So in January of this year, Eden became big-titted Helly Mae and with years of stripping behind her, the 28-year old was perfect for the role of the raunchy Gaga.

The film involves all the usual merry-making and also the parodied music video of Lady Gaga's hit song, "Telephone".

"Well, I'm lip syncing," admits Helly. "But that's me dancing like the slutty go-go girl I once was!"

When she is not doing porn, Helly is a popular DJ.

"I've been DJ'ing about a year. It's one of many things I do. Mostly electro house, progressive and trance. I'm also enrolled as a student at UCLA. In the past I was getting fucked on camera as Eden Sinclair, and I liked the job. Porn is a good job. It gives me the freedom to do creative things. Plus, it's a good promotional tool to be Gaga!"

There is plenty of non-music fun in *This Ain't Lady Gaga*. Scott Lyons was brought in to help recreate the infamous Lady Gaga interview on *Larry King Live*. Aged with make-up

Text: Lobo Press **Photos:** Hustler Video.

“I prefer very large cocks in real life, so getting introduced to Ron Jeremy’s tool was a special treat for me...”

and eerily similar looking to the veteran talk show host, Scott doesn’t waste any time before assisting the superstar when she finds herself feeling horny after the show. It quickly becomes apparent that ‘Larry King’ is more than happy to eat her out when Gaga feels her pussy tingle.

“It was great because Scott looked just like Larry King. They did some really cool stuff with his make-up and hair. And at the end of our scene, he launched his load on my sunglasses! I was wearing them through the whole scene and he blew on them. That happens twice in the movie.”

Although Holly fondly remembers her scene with Scott, apparently nothing quite beats the massive 10 inch skin flute that belongs to Ron Jeremy. In the restroom of a famous night club, Ron finds Lady Gaga flicking the bean. When she recognizes him she's soon sucking his cock.

"I do prefer very large cocks in real life as well, so getting introduced to Ron Jeremy's tool for the first time was a special treat for me. What I didn't know about Ron is that he is, in fact, an expert pussy eater too."

The world knows that the real Lady Gaga is a self-proclaimed bisexual, and director Axel Braun over at Hustler Video puts that knowledge to good use. On the set of a music video Lady Gaga and Beyoncé get into a cat fight… but then they realize it's a lot more fun to have sex. Sexy Rihanna Rimes may not look over much like Beyoncé, but she sure knows how to lick a twat. Director Axel Braun explains, "We don't really care about the singing, do we? No. It's better to let these two porn stars go at it with a purple dildo. But let's just also say that these two aren't the only sexy, female musicians we have parodied in this movie."

Up next is Madonna. Lady Gaga wins big at the Grammys, and Madge storms on stage and calls her a plagiarist. Two security guards escort them off stage and… a torrid four-some ensues. Aubrey Addams plays the feisty Madonna and Marco Banderas and Marco Rivera are lined up for the cock service. Both ladies end up with a large quantity of splooge over their well-made up faces and tits.

"After we won Best Music Soundtrack and Best Original Song at this year's AVN Awards Show, it seemed like a no brainer to follow suit with a Gaga parodied performance," says Drew Rosenfeld, Creative Director for Hustler Video. "Helly Mae is amazing as Gaga and our parody of "Telephone" the original a run for its money."

The cast includes Helly Mae Hellfire, Rihanna Rimes, Aubrey Addams, Raylene, Ron Jeremy, Scott Lyons, Marco Banderas, Marco Rivera, and Tee Reel.

It feels like everything's changed in the last few weeks, doesn't it? Calendars, the Ed's waistline… even the nation with Ashes bragging rights. Strewth, as the new holders might say. Still, in a world that's always in flux, it's good to know that some things can always be relied upon – and from the look of this set it seems Southern belle Sasha (well, she's from Brighton) is most definitely one of those things, because come rain or shine she can always be relied upon to put a tent in our trousers!

"So I see!" the girl herself grinned rather cheekily when we were 'overseeing' this shoot. Well, on the one hand a bloke doesn't like to be caught with a lob on, but when the girl in question is doing her utmost to make sure he has one, what's the correct etiquette? In the end we thought we'd brazen it out - especially as that option meant we could carry on watching Sasha doing the rudest things with herself!

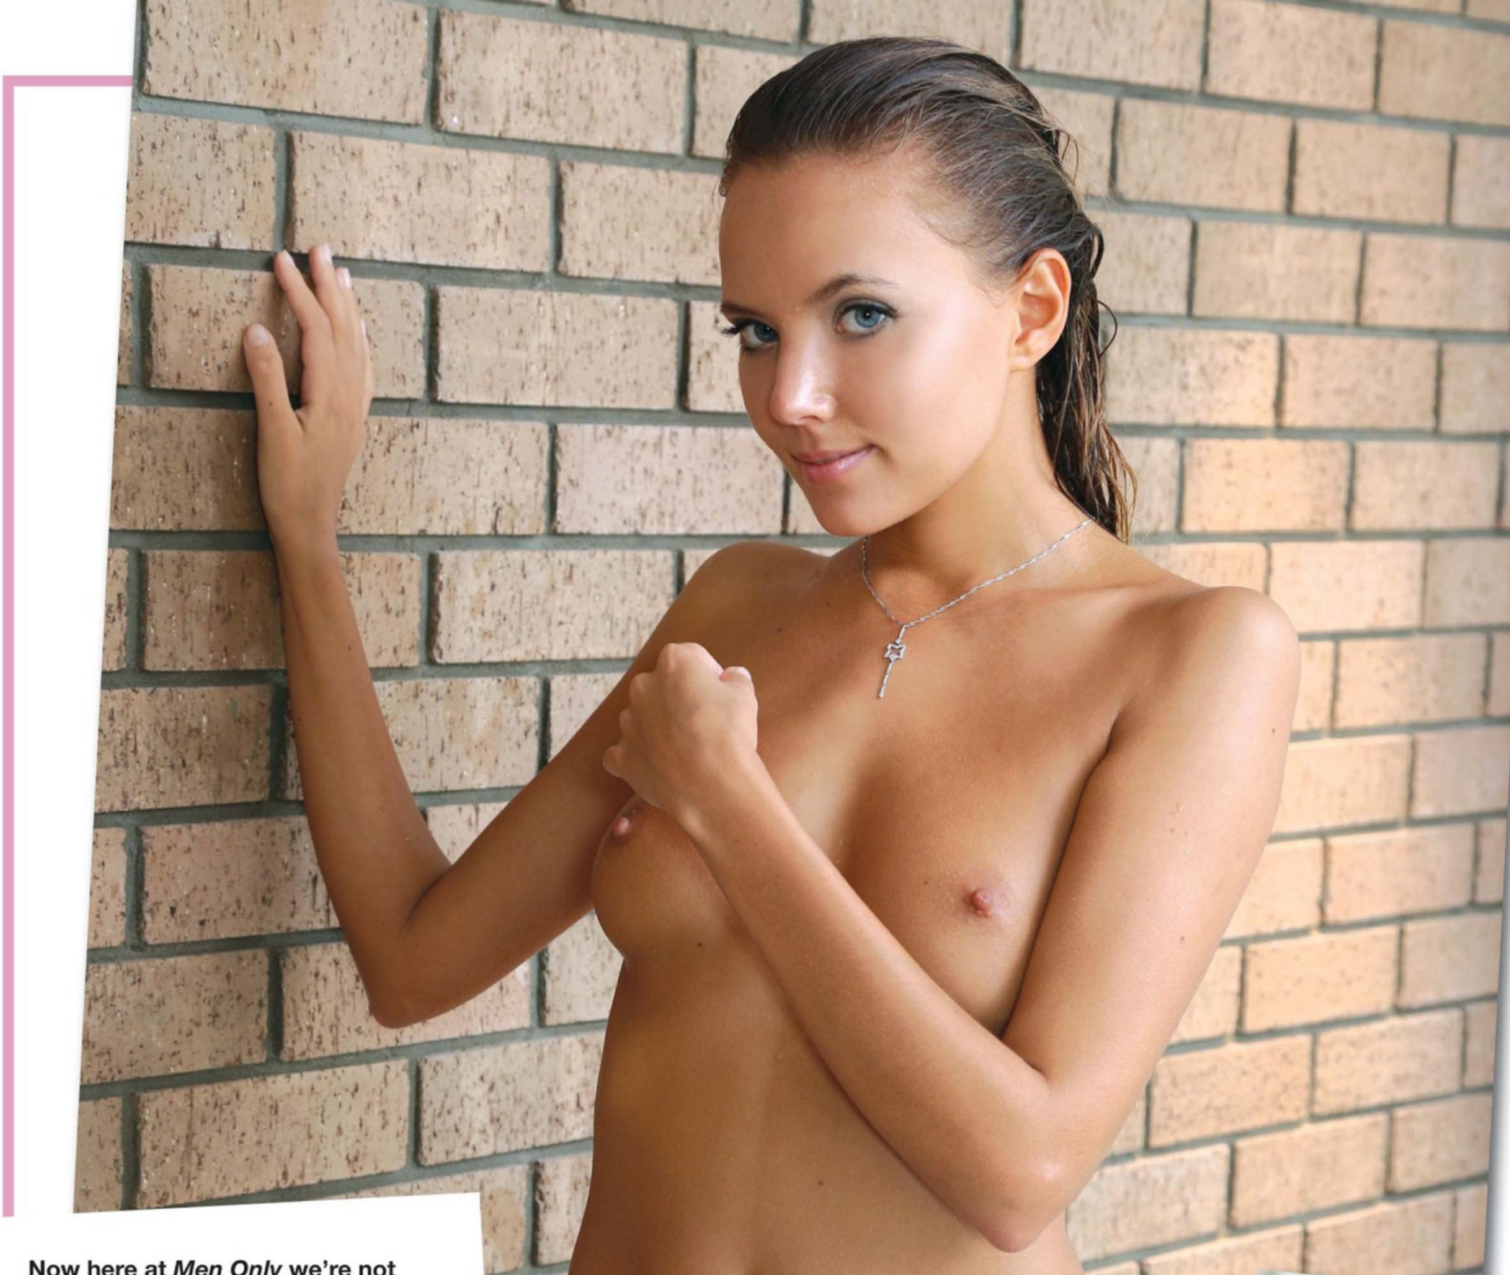
WorldM



Now here at *Men Only* we're not exactly what you'd call a teenie mag, but we were totally blown away by fresh-faced Clover here and her natural beauty and figured that if she had that effect on us, she was more than likely to have it on our readers as well! Isn't she a cutie – what could be better than being present at the start of what we very much hope is going to be a fantastic modelling career?

"Oh, I'm not too sure about making this my career!" Clover giggles. "I've always been interested in photography, and having taken a few revealing shots of most of my friends I thought it was high time I took the plunge myself. Everyone said the results were great, so I thought I'd get in touch with you guys and find a larger audience. I might do a few more sets, but at this stage I'm really concentrating on my degree more than anything else."

Oh well, whether or not you're a career girl, we hope to see you again before long!

Hmm, the title's a bit of a stinker, frankly, but thankfully that seems to be the only thing seriously wrong with the dramatisation of the legendary rivalry between F1 legends Niki Lauda and our own James Hunt. Senna proved that cinemagoers have a soft spot for Formula 1 a year or two back, and although that was a straight documentary this take on the sport works just as well…

Chris Hemsworth, a rather lunkish figure in the Thor flicks, takes on the role of Hunt, the blonde playboy who embodied just about everything a pubescent in the late 70s wanted to be when they grew up. Still, alongside the booze and the birds it was his skill behind the wheel that had him challenging the greatest driver of the era for the 1976 championship. Lauda, of course, had more than Hunt to battle, following his spectacular crash that year, and the recreation of the terrifying races _ and the crash – are nerve-jangling even for those viewing from the sofa. All in all a cracking flick, even for those who aren't fussed about motor racing in the slightest.

"A DEFINITE WINNER"

Ever wondered what would happen if you could deep-fry *Mama Mia*? Dexter Fletcher, moving along from the acclaimed *Wild Bill*, directs the Dundee Rep's much-loved stage show by Stephen Greenhorn, creating a musical narrative around the songs of The Proclaimers. *Sunshine on Leith* centres around two friends returning home from a tour of Afghanistan, following the ebb and flow of their daily lives as they return to the reality of home life. A sweetly observed film of spontaneous rhapsody set to a euphoric soundtrack. it'll win you brownie points for a night in with the missus.

"TWISTED, TERRIFYING AND THRILLING. DON'T SEE IT ALONE"
INSIDIOUS 2
CHAPTER

As a general rule any horror flick that's got a number at the end of it is probably not recommended as your first port of call, but now and again one comes along that stands up pretty well to the original, and Insidious 2 certainly manages that. Ably directed by James Wan – the man responsible for number one – it tells the tale of a young family who find themselves getting tangled up with the spirit world after a tragedy. OK, it's never about the set up but the thrills and chills, and there are more than enough of both to keep horror fans happy here!

Kiss Of The Damned

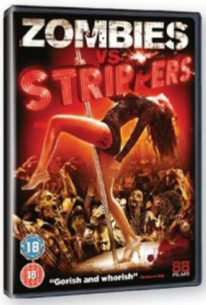
Eureka

KISS OF THE DAMNED

Poor vampires – there really is no rest for the wicked, is there? After the likes of *Let The Right One In* and *Byzantium* it seems like we can't just be afraid of blood-suckers any more – we have to feel sorry for them as well. Well following that trend, Kiss Of The Damned sees lovely Josephine de La Baume playing a vampire who's doing her best to go straight. Still, once she's hooked up with a new boyfriend things soon take a turn for the sanguine, and in the end we get all the creep-outs we'd hope for from a vampire flick. Stylish and nicely crafted!

Zombies Vs Strippers

88 Films



Good lord – a third horror? We haven't stumbled into November by mistake, have we? Still, this one's a far cry from the other two reviewed this issue, as if you couldn't tell from the title. Yep, it's a properly tongue-in-cheek (or tongue-poking-through-hole-in-cheek) homage to the daft lo-rent gore flicks of yesteryear, as the patrons of a grimy strip joint find themselves being infiltrated by some comically over made-up undead. Cue some tits, some corny one liners and some chuckleworthy special effects. Definitely one to file under 'post pub entertainment'!

XBox One.

Well, the time has come, folks. Microsoft, not only want you just to buy their console, they also want you to snap up the spanking new Xbox One - this game ain't released on any other format, so Sony gamers can get back to looking at all the lovely naked girls…

OK, still here? So ,you've taken the plunge, eh? Well, if you've forked out for a One, you'll certainly be needing a game or three to play on it, and this is as good a place to start as any. Let's face it, ho doesn't like survival horrors, in which you guide your character round whacking zombies in as many inventive ways as you can dream up? Yes, essentially the gameplay not too different from earlier Deadrising outings, but with the new platform they've really cranked the scale up – the open world environment feels massive and if you factor in the Kinect and SmartGlass, it really does feel very fresh and immersive.

As for the plot – well, everything's getting a bit out of hand, but then don't they always when you've got loads of zombies about. You can't trust the buggers, really, so why not bash them in instead?

CONFERENCE BALLING

Some might say I'm a workaholic, but I say I'm just driven – and I apply it to everything, from building up the company I started nearly a decade ago, to building my body in the gym. It's a life that has rewarded me well, and I don't have a problem with the fact that I've put family life on the back burner. Which is a good job, because my line of work is more likely to send women to sleep than drive them wild with desire! Yep, manufacturing metal shelving for large corporations is not exactly an exciting life! I go to industry events two or three times a year, just to network. But I ended up pressing the flesh in more ways than one at the last conference, and I had to tell you all about it!

A client had sponsored an evening do – drinks and a buffet, the usual – at a swish hotel just outside London. I attended on my own, as always, but would rather do that than hire a date, like some businessmen I know! I had been at the event for about an hour, when a gorgeous waitress offered me a glass of fizz from the tray she was carrying. I was intending to politely decline (I'm more of a spirits man, myself), when I caught sight of her face, and simply had to engage her for as long as possible. I took a drink and we swapped a bit of polite banter, and although nothing much was said, as I caught her eye I knew there was a spark between us. There was also something seriously sexy about her outfit - black pinstripe trousers and a crisp white blouse. I knew all the waiting staff must be identically uniformed, but it made her look like a proper minx, like she meant business.

I bumped into her again a bit later, while she was on a break – she asked did I have a light, but I told her I didn't smoke.

> "Then she went down on me, mouth open as she jacked my cock against her tongue..."

"Pity," she said, giving me this look. She had to finish her shift, but now I watched her like a hawk - and she'd glance over at me or say a few words when she passed by too. She was definitely as interested as I was.

At last, when the crowd started to thin out a bit, we got the chance to talk. She told me she was called Nina and she worked at the

conference centre, catering parties. After a bit more flirting she had to go off again, but not before she told me to meet her in a nearby bar. We had to be a bit sneaky about it, but that just made it all the more fun, and we ended up only having the one drink before I got her back to my room.

> “She had the juiciest, most delicious-looking twat I’d ever seen; I had to bow my head and have a taste.”

When she stripped off her uniform, she was wearing a black cami and knickers, plus stockings and suspenders, all in black. “It means I’m still me, no matter what I have to wear over them,” she smiled, noticing my expression. Don’t ever change, love, I thought, as she made a beeline for my flies.

As she got my prick out of my trousers and started wanking it, I asked whether she could get sacked for this. “Totally!” she grinned. That’s the last thing I wanted to happen, obviously, but I could make damned sure I was worth the risk.

The way she licked her lips was one of the horniest things I’d seen in my life. Then she went down on me, mouth open as she jacked my cock against her tongue, before slowly closing her lips tight around it, sucking hard.

Although I was tempted to let her bring me off down her throat, my eyes were fixed on the curve of her arse in her sexy knickers. I just kept picturing myself behind her, banging her hard, maybe even switching between her two holes…

“Turn round,” I told her next time she came up for air. “You dirty bastard,” she laughed, clearly loving being ordered around. Like I said, I’m in charge of my life, maybe even a bit of a control freak at times, but that went right out of the window the second I pulled her knickers to one side. She had the juiciest, most delicious-looking twat I’d ever seen; I had to bow my head down and have a taste. Then, as my tongue flicked over the plump folds of it, the urge to fuck her got too strong.

I slammed my cock right up inside her in one fell swoop, grabbing her hips so I could bang in and out with all my might. I’m pretty fit, but after a few moments of that, I was out of breath! I wondered for a second if I was being too rough, but Nina glanced over her shoulder and panted, “Oi, back to work!”

That was it; I ploughed in and out and didn’t stop, even when my lungs and muscles were starting to burn from the pace of it all. Nina was humping her own hand against her clit, and as she brought herself to an orgasm, I felt myself lose control yet again, emptying my balls deep in her hole.

There was hardly any let-up over the next few hours. Even when I was flopped back on the bed, exhausted, Nina gave me a dirty striptease, swaying over my body as she took off her bra and knickers. Then she squatted down in her stockings and sussies, and guided my cock into her arse. No lie, it was the tightest fuck I’ve had in my entire life.

> “Nina gave me a dirty striptease, swaying over my body as she took off her bra and knickers.”

Unfortunately she couldn’t stay the night, as it would have looked a bit dodgy if she’d been caught sneaking out the next morning. But I got to blast one final load all over her tits before she left, and wanked my morning hard-on sore over the thought of her when I woke up.

The good news is that there’s another conference booked at the same venue this year. So, if Nina’s still working there, I’m up for a repeat performance!

Matthew, Peterborough.

LIZ-BIAN FLING

I've always enjoyed going down to London's West End to catch a show, play or musical. However, none of my friends are really interested in that kind of thing, and as I've given up trying to drag them along, I tend to go alone. I enjoy spending some quiet time away and the trips have become both regular and frequent, such that I had been running out of new shows to see. That was how I came to take a trip to London with Liz. Liz is the eldest daughter of Jackie, a casual friend from work, and I'd mentioned the monthly trips to her at her mother's 40th Birthday party. I couldn't imagine that a bright eighteen year old would have any interest in plays and musicals but she made a point of coming back to chat to me about them, even after she had been dragged away for the official cutting of the cake.

“Let me know when you're going down and I'll come with you,” Liz said, to my surprise. I promised that I would, but thought she was just being polite. I was wrong on that score. Liz phoned me and gave me all the arrangements of an intimate little production that she wanted to go and see. I would never had thought about going and realised that ‘little’ Lizzy might be able to show me a few tricks. She seemed pleased when I told her that and delighted when I agreed to go with her. I paid for everything – it didn't seem right to take anything off a college student when I pull in a decent wage.

“My body felt like it was vibrating with excitement as Liz unclipped my bra...”

On the train journey I found out that Liz was studying English Literature and was going on to study it at university – what I was doing for fun, she was doing for real. She had a passion and intelligence about the arts and once she started talking, it was difficult not to be swept along by her enthusiasm.

“None of my friends are into this kind of stuff,” she complained.

“Too busy chasing boys?” I joked.

“Yeah, they are. I don't do that.” Something told me that there was hidden meaning behind those words but Liz didn't say anything further and I didn't probe.

“It's good to be with someone who is into all this other stuff,” I said, not really knowing what I was talking about. We dropped our bags at my usual hotel. I hadn't thought to tell them that I'd need a twin, so ended-up in my usual room, complete with double bed. It didn't seem like a big deal until Liz asked me which side I preferred to sleep on.

“Don't worry,” Liz said, seeing the expression on my face. “I won't bite – unless you ask me to.” Her face cracked into a huge smile and we gathered our things and headed out. The show was amazing and since I'd paid, Liz insisted that she take me for a meal. We stopped off for a very dirty beef burger and greasy chips with a glass of cheap red wine, which felt very naughty after the high culture of the afternoon show. We couldn't stop laughing – it seemed like two worlds colliding, in the most wonderful way imaginable. Neither of us could drink the wine, so weren't even tipsy as we left - but we were relaxed.

Liz slipped her hand into mine as we walked back to the hotel and it felt right somehow. I wasn't sure what it meant but I had noticed how Liz was getting closer and closer to me as the day progressed. She'd been increasingly tactile and I'd done nothing to discourage her as she touched - holding hands seemed like the next logical step. I could feel her building up to something, so when she kissed me as we waited for some traffic lights to change, it wasn't a complete surprise. “Liz,” I said softly. “I'm old enough to be your mum.”

“I felt a yearning in my own pussy as my fingers found her hot, slippery groove...”

“I know that. So what?”

“And I've never actually been with a girl before?”

“Don't worry,” she said. “I've been with a few, I'll show you what goes where, if you get stuck.” We shared another fit of giggles – I had never laughed so much with anyone. But I had a sudden worry – what if I was really bad at being a lesbian lover? It wasn't something that had happened before and while it seemed cool and exciting for an eighteen year old to be experimenting, it seemed rather sad and pathetic for a 39 year old to be behaving in exactly the same way.

Liz didn't seem to care as she dragged me back to our bed for the night – and if she didn't care, I decided that I shouldn't either.

“I've wanted to do this since I met you at Mum's birthday,” Liz said, as she unbuttoned my blouse. “I've got such a crush on you. I've thought about you every time I've masturbated since,” she gushed. My body felt like it was vibrating with excitement as Liz unclipped my bra and pulled it away. I'm proud of my boobs and confident that most men would be delighted with the contents of my bra - but I was aware that Liz, as the owner of a pair of big and bouncy teenage breasts, might well be disappointed with my smaller, aging tits. “Oh God, they’re amazing,” Liz whispered. I was trembling with nervousness as Liz kissed and licked each breast in turn. Her teeth grazing my nipple made me gasp. Liz’s eyes were wide, filled with desire when she looked up.

“Too much?” she asked.

“No,” I said, too quickly. Liz’s mouth returned to my nipple and slowly, excruciatingly, I reached a hand underneath her body and squeezed her breast in turn. Liz’s hand closed over mine and squeezed – much harder than I would ever had dared to – and she sighed, obviously enjoying the sensation. I did it again, only without Liz’s help and got the same response. Emboldened, I slipped my hand inside her top and bra and squeezed the bare flesh of her boob.

“I need you to make me come, right now,” Liz said dramatically, pulling away while yanking at her clothes.

“What do I do?” I asked, rather meekly.

“Just use your fingers and do what you do to yourself,” she said. I was intimidated by Liz’s 18 year-old body, especially by the smoothness of her pubic mound – it was just so perfect. I kept my knickers on as Liz lay down and opened her legs for me. She grabbed impatiently at my hand and guided it down.

I felt a yearning in my own pussy as my fingers found her hot, slippery groove – the first pussy I’d ever touched other than my own. As if in some kind of waking dream, I started to rub. Every jolt and jerk of Liz’s body scared me – was I doing it too hard or too fast? I was so afraid of hurting her that I forgot that I was supposed to be pleasing her. However, the little that I did do was enough. Liz gripped my wrist with both hands as her body arched away from the bed and shuddered. I was shocked – I had never orgasmed so quickly.

“I really needed that,” Liz said, rolling onto her side. “I think that makes it your turn.” I thought she’d just rub me as well – but as Liz kissed down my stomach, I realised the truth. I didn’t want oral sex from my friend’s daughter, yet I found myself wondering what a girl’s tongue could do to me. I gripped the pillows and waited. She went slowly and by the time she arrived between my legs, I was crazy with lust and soaking wet.

“Oh my,” Liz said. “It looks like you are pleased to see me.” She kissed my pussy through the gauzy crotch of my knickers. I gasped, shocked at how sensitive I had become. Then Liz sucked. I felt the juices being extracted from my knickers and then directly from my slit as she sucked harder. I’d never experienced anything like it and as my clitoris was dragged against the rough material, I came instantly. I hadn’t orgasmed for a week and it fired with ferocious intensity – but Liz wasn’t satisfied, and neither was I. She dragged the crotch of my knickers to one side and I sighed with delight as her soft, slippery tongue explored my pussy. Liz stayed down there for over an hour and gave me a string of spectacular orgasms – the next thing I knew, I was waking up in her arms the next morning.

“Liz had a wonderful time in London,” Jackie said. “She asked me to ask you if you wouldn’t mind going down with her again.” I almost spat my coffee out.

“Of course I wouldn’t mind, Jackie,” I said. “It’d be my pleasure.”

Rachel, Cambridge.

Well, our reviewer's resolution to watch a bit less porn this year hasn't really gone that well, but then it is his job and, frankly, he's a lost case anyway…

Hang on, didn't Harmony release a film shot in Venice a couple of months back? What do you suppose is going on? Perhaps the Doge has decided to issue tax incentives to attract hardcore smutmongers to his shores? I guess the masque ball economy must be drying up thanks to the general economy – or perhaps the Venetians just want to have a few more jollies before their city sinks beneath the sea for good?

Anyway, things kick off with pro-knobsman Marco out on the street, doing his best to chat up blurry faced birds… with not much luck until he runs into Ashley, a bit of a stunner who falls for his patter (unless, gasp, she was a plant!). Once she's back at the apartment it's not long before she's got two knobs in her mouth – and she's clearly a natural. Spitroasts, anal and a DP follow in fairly quick succession as the lads plunder her every which way, and they wind things up with a more or less simultaneous double creampie. Lordy, flicks that start off this rude have set the bar pretty high, and Ashley's one cock-gobbler we'll be keeping an eye out for in the future.

Short-haired Coco's the next flamper to be reeled in – this time by Tony de Sergio – and he keeps her all to himself. A solid enough coupling, but it's rather eclipsed by the previous scene as well as the following, in which Valentina grapples with two cocks and takes them every which way. Two redheads in Mira and Emy see us out ably, bringing to an end this very commendable flick.

BIG TITS MATURED TO PERFECTION

Any series of films that gets up to a 17the episode has got to be doing something right, and there's no getting away from the fact that for the big-boobed MILF lover, this one ticks plenty of boxes!

In terms of plot, though, they're obviously starting to struggle, because the scenario for the first coupling sees Diamond playing a 'Socialist slut!' who goes about undermining family values by fucking her neighbours. Well, once the intro's out of the way the scene picks up a treat, with Diamond's mega-mams driving her stud to distraction before they get down to it. She sucks a mean cock, and with tit-wanks and a red hot boning, you'll find no complaints from this reviewer.

Blonde Devon's a nice dinner for her hubby – but the silly sod's stuck at work, so to cheer herself up she has a wank. Then up pitches the man of her dreams, he gets to grip with her knockers and soon more than makes up for hubby's absence!

Things barely flag at all as Raylene, Diana and Emma take up the big pink baton – a very likeable flick for boob-men!

Fashionable Fuckers

Cast: Noemilk, Henessy, Mira, Marika Hase, Charlize Bella.

HARMONY
FASHIONABLE FUCKERS
R18
HD

Here at the *Men Only* office we like to think we're all pretty fashionable fuckers! The Ed won't be seen out of the house until he's teased up his Finsbury fin and yanked his skinny jeans down far enough so that half his bum is poking out for all the world to see (usually the left half), but as you might expect given that this is a bongo flick, the fashionable fuckers on display are taking things a good bit more literally.

Henessy looks rather delightful as she ambles around a riverside villa listlessly, and then what do you know, she catches the eye of RAF-uniformed stud Tony, who starts to imagine her in a fetishy little outfit. And lo – suddenly she is! She puts on quite a tease before he gets stuck in, a quick slurp and then he's slamming into her in an eye-pleasing reverse cowgirl. Things soon turn anal, and the little tartlet rides his pole for all she's worth. Once he's dropped his load, it turns out Tony was only imagining it – doh!

Next up it's Noemilk, who actually ends up covered in plenty of (man-)milk, courtesy of the two cocks she gets in the middle of. There's no bummery, which makes a bit of a change, but it's still a crackling scene and her bum doesn't half look a treat as she takes a pounding.

Don't worry, though – we're round the back again for the next scene, a touching vignette in which Mira delivers a dribbly blowie and then takes a rock solid poking on the dining table. There's some nice camerawork here, with plenty of close-ups of cock and pussy/arse interface (and, indeed, cock into face interface) before we're done.

If all this sounds satisfactory enough, they crank things up for the next, which sees Henessy return, teamed up with Marika and a stud for one of the hottest threesomes I've seen in a good few moons. And still there's more, with a ball-gagged DP for Charlize. A top flick, although the colour seemed a bit washed out for me...

VOL.1
REAL LIFE COUPLES
R18

This one kicks off in classic gonzo stylee – Shae's boyfriend has got a new video camera, and his girlfriend's more than happy to put on a show for it. She's a very cute small-titter, and once her boyf has stuck the camera on a tripod or something he joins her on the bed. Well, given that the camera's either stationary or held by the fella, it's a bit of a lo-rent scene, but Shae's certainly an enthusiastic and strokeworthy young lady who I wouldn't mind seeing a bit more of in the future!

Alexis ain't no slouch either, and celebrates her trip to Las Vegas with a filmic bunk-up. She's got lovely boobs, and there's some good dirty talk. Just for a change she holds the camera herself here and there, which adds a novel twist to things – and there's a nice pop to finish. There's plenty more hand-held amateurism – and there's nothing wrong with that. The pro's might know all the moves, but this lot are a horny bunch! **Available from your local sex shop.**

Oh dear, it looks like UK strumpets Sam Bentley and Lucia Love have fallen on hard times – they've turned to crime! Sadly, while they may have collected plenty of credit cards, the plod's onto them, and within a couple of minutes they're banged up together. Luckily they're not the sort of girls to let that get them down, and they keep their spirits sky-high with the help of a strap-on and some delving fingers and tongues.

It turns our Lexi Lowe's been naughty as well – a neighbour reckons she's been publicly indecent (we reckon she's got a point). Thankfully her solicitor Frankie's on hand to sort things out. Well, sort them out in the 'fuck Lexi with a massive double dildo' sense. By way of paying her fees, Lexi returns the favour in quite an intense scene.

Thereafter there are plenty more penal-themed prongings – it's all lesbo, but the girls do the best with what they've been given (a selection of strap-ons and dildos) culminating in a mucky lesbian gangbang. **Available from your local sex shop.**

Geraldine

Photographs by Dwight Fox.

VINTAGE Men Only

Geraldine's men are the sort of men who are able to handle themselves in tricky situations. A classic case, we thought, of being subjected to a large dose of violence on our television screens. However, Geraldine disagrees. "In fact I was mugged a few years ago, and unfortunately my boyfriend (who was with me at the time) ran off, leaving me to hand over all my money. Now if he had been well-built he might have stayed and fought off my attackers." Let that be a lesson to all of you who don't eat your spinach.

KATE-ANNE

Photos: **BB Media**

East Midlands babe Kate-Anne dropped us a line a couple of months ago asking if we might be interested in shooting her. Given that included in the letter were some rather enticing photos of various bits of her anatomy, we felt that the only correct response was, "Yes please – when can you make it down?!"

As you can see, the girl herself was soon on a train and making her way to our studio and, well, here we go! For a bit of a newbie to all this sort of thing, she picked things up pretty darnn quickly, so while we were still arsing about trying to get the lighting sorted out, she'd already slipped a hand inside her panties to get herself in the mood! Well, we love a girl who's that dedicated to her art, so we just stood back and let her get on with things, safe in the knowledge that Kate getting her rocks off in the studio was guaranteed to tick all out boxes!

We're not sure if it's technically possible to be hypnotized by a pair of love-lips rather than a fob-watch, but by the time she's finished, we were all well and truly mesmerised by her performance!

SAM

Photos: **Dazglam**

Curvy Sam's certainly got something about her, hasn't she? We suspect that it's usually a crowd of men with their tongues hanging out! With looks – and boobs! – like those, surely she's got to beat them off with a stick!

"Oh, you'd be surprised," she says, forlornly. "When I'm out with my mates, they all seem to get a lot more attention than I do..."

Well, there can only be two possible explanations for that – either your mates are the most stunning girls in the world, or else guys are a bit too scared to try it on with you.

"My friends are all very pretty, but perhaps you're right. I'm fairly tall as well, so perhaps fellas feel a bit intimidated by me – but there's really no need! Once a guy's got me in bed, I'm putty in his hands, so it's really disappointing that I don't get to do it more often!"

Hmm, well now you've told us we hope things'll pick up. After all, faint of heart never won fair of face, and nor did it ever win a cracking set of charlies like that to play with!

Kayden
Isabella

Coming next month

Issue 79.02 on sale February 7th

It's aways a bit of a red letter month when we manage to lure the stunning Kayden Kross back into the *Men Only* fold, and we've only gone and done it again! And just to fuel our fervent fantasies, she's even getting dolled up as a bride for us! Ahem, and to add to the air of erotic anticipation, Isabella's going to be tinkling more than the ivories for is in a rather classy basque combo. Ah, such sweet music…!
